

Hi, my name is 5839 Ruth

Looking for love

Female Domestic Short Hair Cat

🐱🐱 MEET RUTH 🐱🐱 Hi there! I'm Ruth. I might not be a fancy fluffy Persian or a blue-eyed oriental, but I'm a beautiful girl all the same, with my special striped tabby coat and my lovely green eyes. If you look closely you might even see a hint of ginger running through! I came into the care of Perth Rescue Angels all the way from Newman! When I was found, I was homeless and on the streets with my four kittens, so I was very happy that we were able to make our way to the city in search of a better life. Now my kittens are all big and grown and I'm hoping it's time for me to find my happily ever after! Nature When I first came into care, my foster mum and dad tell stories about how I hid for the first three days! They had to bribe me out from under the TV unit with supper! But I'm a lovely and very polite lady, even though I do get scared sometimes. My foster mum says I've never once hissed, scratched or spat, and now when she holds me I purr like crazy! Companions (Children, Cats & Dogs) I'm the queen of the castle at my foster parents' house and haven't been around...
