

# Hi, my name is Tiggy And Pepper

## 'Bold and Energetic'

### Male Domestic Short Hair Cat

Tiggy and Pepper are a brother and sister duo who were born in their foster home and are now looking for their forever homes. These two are full of energy and can't get enough cuddles. Tiggy is a bold little boy who is full of curiosity and will follow you around to check out what you're doing, even if it's just cleaning out the litter tray. He is very adventurous, super playful and loves his food. Pepper is a very energetic little kitten and slightly more timid than her brother. She will spend hours running after her toys and playing with her brother, before curling up on your lap for a nap. She is a very switched on little kitten and likes to watch all the goings-on around her area. The two are a very sweet pair, and like to snuggle up together to sleep when a lap isn't available, and are in need of an energetic person(s) to keep up with their playtime demands.
