

# Hi, my name is Yukiko

## Looking for love

### Female Domestic Medium Hair Mix Cat

I am a gorgeous, playful and sweet cat. I am a big fan of cuddling on your lap and I love playing with my toy mouse. Although I may seem shy at first, once I am comfortable, I will quickly become your best furry friend. You can win me over with chin rubs, pats, ear scratches and hand/foot massages (it's your cue when she rolls onto her back with paws in the air). I am looking for a calm household with no other pets or children, where I can relax and become comfortable in my new home. Any yes, I like to watch over you working.... and when I say watch over, what I really mean is take over the entire space and make my presence known. Microchip - 956000013261196
