

Hi, my name is Prancer

Looking for love

Male Domestic Short Hair Mix Cat

Prancer was surrendered to the RSPCA Animal Care Centre after his behaviour changed and his owners were unable to help him. Prancer had been living with his family for his entire life, and became stressed with the new cat and dog. He escaped one night and went missing for 48 hours, and when he came home he was less settled than before. Prancer will need a family that has no cats, dogs or kids. He gets stressed out by their presence and can get snappy with them. He is a big loveable boy with plenty of character and will more than make up for his 'only child' status!
