

# Hi, my name is Tigger

## Looking for love

### Male Domestic Short Hair Cat

Hi, my name is Tigger. I am a beautiful big boy who is looking for a family to involve me in their day to day activities. Eating breakfast? Let me lay by your feet. Watching tv? Let me keep your lap warm and have cuddles at the same time. Wearing a dressing gown? Let me chase the cord and have a play! Toileting? Don't shut the door so I can watch and make sure you're safe please!!! I am best suited to live an indoor lifestyle as in a previous home, I learnt how yummy birds are so it's best for the wildlife if I am kept safely indoors. In saying that, I would love a big sunny window to bird watch out of, or even better... a cat enclosure so I can feel the breeze between my paws and those pesky delicious birds are kept nice and uneaten. I can have timid tendencies, so I am best suited to an adult only home with routine and stability with plenty of peace and quiet. I may suit living with a cat savvy dog, or a feline companion to keep my company through the day when my humans can't give me the attention I crave. Can you love me the way I deserve?
