

# Hi, my name is Buttercup

## Looking for love

### Female Dsh Mix Cat

**\*\*Buttercup cannot live with children or in an apartment\*\*** Meet Buttercup... She is a real doozy! Our shelter team spends every day in fear when caring for this little terror kitten.

When they enter her den we never know if they will exit in one piece. She waits at the window like a creep for people that dare to enter her room and become her newest human play toy. We work for her!!! She works hard to spread false hope, staring into your soul until you become fully entranced and decide it might be a good idea to move in for a cuddle, then she takes no prisoners and takes your soul. Her favourite day of the year is Halloween, she likes pouncing on unsuspecting victims and her favourite colour is dark, dark black. Buttercup is slowly learning that pats are a good thing and that human flesh is not for eating like some blood thirsty zombie cat. If left unchecked, Buttercup will attempt to intimidate, deceive, harass, tempt, entice, and control you. Sprinkle in a little genetic predisposition for being crazy, and you've concocted a neurotic mess! Crazy cat owners wil...
