

Hi, my name is Altaria & Suicune

Special Needs Budgies!

Male Bird

SPECIAL NEEDS BUDGIES. Please read the whole description and only apply if: 1. You have no other birds in the house 2. You will keep the budgies indoors only (so to not place risk on any wildlife) 3. You don't have any young children or other animals within the budgie's space 4. You are willing to take them to the vet when required 5. You have a quiet home Altaria & Suicune were surrendered from a pet shop because they had all been exposed to a budgie that had health issues. They had been raised by a breeder who had lost their passion for it and was keeping the budgies in terrible conditions. Unfortunately it means that their immune systems are weakened. Although they both had no symptoms of a severe fungal infection known as Megabac, they have weakened immune systems. Megabac lays dormant in the body and waits for times of stress or deterioration in condition to rear its ugly head. This means they may develop in the future. They are requiring a very calm and stress-free environment. The ideal home would be one where they can have a large space to call their own a...
