

Hi, my name is Gustaf

Looking for love

Male Domestic Short Hair Mix Cat

I'm a timid but affectionate kitty who is trying to find his feet. I'm looking for a calm, quiet home where I can learn to be myself. I like keeping a watch on things from afar, but once I know I can trust you I'm not shy to ask for pats. Normally I'm quiet, but once you start patting me I'll start purring up a storm! New situations can spook me, but I'll relax with love and patience. Start me with a small launch room with a few planned hiding spots so I can feel safe. Spending time with me will help us bond as well (and a bit of wet food doesn't hurt either). Once I feel comfortable I love a good game of chase, so perhaps you could ask the team at World for Pets to help you find some really fun toys so we can play. No young children please - sudden and loud noises can spook me. I'm also not a fan of sharing my space with other felines, so would like to be your ONE and ONLY furry friend. I've had the sniffles so I'll need to be an indoor kitty... that's fine by me though, because that'll mean more time with you! I'm waiting to meet you at WORLD FOR PETS - WACO...
