Male Domestic Short Hair Cat

ADOPTION PROFILE Name: Gully DOB: 15/03/21 Gender: Male Breed: Domestic Short Hair Adoption Fee: \$209 Location: Strathpine Snuggle scope: Super Smoochy Cat scope: Fine with correct introductions Dog scope: Fine with correct introductions Child scope: Great with children Vet work: Completed Next vaccination due: 04/09/21 ABOUT Gully is the happiest, friendliest kitty you could ever hope to meet. He loves everyone and all he wants is to be fussed over and doted on 24/7. Like all kittens his age, he's inquisitive and playful and loves to run and chase and explore. When he's burned up all his energy he loves nothing better than to curl up on your lap for a nap. He loves his food and isn't at all fussy, and he's very neat with the litter tray. Gully loves to snuggle up to you all night long and he purrs his head off as soon as you give him any attention. He's a funny, chatty little boy that will merp and chirp at you as he follows you around the house.
