

Hi, my name is Chardy

Looking for love

Female Burmese Mix Cat

My name is Chardy (short for Chardonnay) and just like a good wine I am mellow and have aged well. I am 12 years old and at my best curled up on the couch and snuggling with people. As a Burmese mix I am a standout in the looks department being an eye-catching colour mix. If you are looking to find your best friend look no further. If you think I might be the one for you, then please fill out an adoption application today at <https://www.rspcaqld.org.au/expression-of-interest-to-adopt>. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments.
