

# Hi, my name is Sweet Pea And Missy Moo Girl

## Looking for love

### Male Flemish Giant Rabbit

Sweet Pea is a gentle lop cross Flemish Giant bunny boy. He is 3 years old. He comes with Missy Moo. They are a bonded pair. They free roam inside the house and can do so outside under supervision in a safely fenced yard. (NB Never leave a rabbit alone, unsupervised in a yard). Sweet Pea is very friendly and will tolerate being picked up once he is comfortable with you but Missy Moo doesn't like it at all but is friendly once she gets to know you. She has always been very timid due to not being handled when young by breeder but will handle patting and grooming. They have been bonded for about a year now and cannot be separated and both are desexed and litter trained. Sweet Pea the boy, is a lop x Flemish and Missy Moo the girl is a Flemish Giant.
