

# Hi, my name is Missy Moo Girl And Sweet Pea

## Looking for love

### Female Flemish Giant Rabbit

Missy Moo Gal is a gentle Flemish Giant bunny girl. She is 2 years old. She comes with Sweet Pea. They are a bonded pair. They free roam inside the house and can do so outside under supervision in a safely fenced yard. (NB Never leave a rabbit alone, unsupervised in a yard).

Missy Moo Gal is friendly but doesn't much like being picked up. She has always been very timid due to not being handled when young by breeder but will handle patting and grooming. They have been bonded for about a year now and cannot be separated and both are desexed and litter trained. Sweet Pea the boy, is a lop x Flemish and Missy Moo the girl is a Flemish Giant. Our bunnies are: house trained microchipped parasite treated vet health checked desexed & vaccinated lifetime return guarantee I need a diet of: 2-3 hays Oxbow pellets hand cut grass fresh mint
