Male Domestic Short Hair Cat

☐☐ INTRODUCING KENDALL ☐☐ Hello, my soon to be pawrents! My name is Kendall and I'm on the hunt to find my furever family! Nature I'm not going to lie, I am a big shy boy! I do accept a few soft pats here and there once I learn to trust you. I am a very polite young lad and wait patiently for my dinner. I am nice and healthy now that I've been in foster care for a while and have a beautiful coat. Companions (Children, Cats & Dogs) I currently live in care with a few other felines and I am really good with them. I would do great with another gentle cat, or even by myself with an owner who is home often to ensure I don't get lonely! I'd definitely prefer a home without dogs or young children though, pawlease! Likes / Dislikes I LOVE a nice warm fluffy bed to snooze on throughout the day. I love to climb up to a high spot to sit and look out the window as the day goes by. I'm a very caring boy and like to look after my siblings and other kittens in my foster home. I also love my food a lot and I really appreciate my meals. I am a little scared of dogs, they frighten...
