

Hi, my name is Parsley

A sweet, peaceful boy

Male Domestic Short Hair Cat

We'd like to introduce you to the lovely Parsley, a beautiful 7-year-old white desexed domestic short haired cat, who is looking for a peaceful place to call home with lots of creature comforts (he's a foodie!). He is happiest spending his time exploring on his own and curling up for an afternoon nap. Parsley is always happy for pats and affection and does best where he can enjoy all of the attention in a home without other pets or children. Our cats are indoor cats, or even better if you have an outdoor cat run or enclosed area that they can also explore. We can deliver the lovely Parsley anywhere in New South Wales. Please complete our expression of interest form and we will get back to you. Applicants will be asked to do a Facetime/Zoom/Skype session where they can show us the home environment where the cat will be kept and provide information on other inhabitants at the home:
