Looking for love

Female Domestic Short Hair Mix Cat

Hiya, I'm Mini! Don't let my name fool you - I might be smaller than you, but I've got a very big personality! When I first meet people I can be rather shy and reserved. New situations can also spook me quite a bit too - specially places with large, open spaces! Give me a small launch room and start to slowly open the house to me so I can get settled in on my own terms. You can even spend some time with me, talking in a soft voice and offering some yummy food to calm my nerves. But once I'm settled... Look out! My personality will be on full display! When I'm confident and comfortable I'll show myself to be very sweet. I'm also quiet the vocalist! (Meowww~). I'd love to be able to talk with you, especially over dinner. I'll also be asking for some gentle attention, like a gentle head rub, or a chin scratch. Make sure to use toys and not hands to play with me in case I get too excited, and I'll surely be a super duper happy kitty! I absolutely 100% MUST go home with an experienced cat owner. Someone who can read my body language is an owner who I'd trust forever. No y...
