

Hi, my name is Marley

FOSTER HOME

Medium Female Staffordshire Bull Terrier Dog

We're currently needing a foster carer for Marley while we work on some behavioural issues with our trainer. Carer must be located in Geelong or surrounding suburbs and be able to attend to group training on a Sunday morning in East Geelong with our trainer. Marley has previously lived with other dogs but we would prefer her to go to a home as an only dog while we work with our trainer. She is a very sweet girl who loves cuddles. She is also quite strong so will need a strong, experienced handler. Needing a carer ASAP. Please enquire if you can help our Marley.
