

# Hi, my name is Dunstan

... absolute stunning boy

## Male Domestic Long Hair Cat

I have now been named as Dunstan ♥ My foster mum has called me that in light of my colouring and demeanour. Dunstan is a Scottish name but I am 100% Australian just ginger and my foster mum can't stop telling me how I am just a gentle man. She's sure I coined that term ! She says I am just so gentle. She adores me ! But wanting the best for me, means finding a forever home that will love me and keep me safe. I am not a young kitten but not hitting maturity either. It is my hope that I can join a family who are quiet and gentle like me ♥ who love enjoying spending time with me but letting me do my own thing too. My foster mum says I am such a handsome boy ! She says people need to look past that though! I have such a gentle personality she doesn't want people to take advantage. I am ok with other cats who don't bully me. I have seen dogs but they weren't close enough for me to know if I like them or not. If you feel I can join your home please contact my people and have a chat to them. If you would like to meet me please email the rescue at fostersadopt...
