

Hi, my name is Audrey

Looking for love

Female Domestic Short Hair Cat

I HAVE SPECIAL NEEDS: QUIET HOME, CHILDREN 13YO , EXPERIENCE WITH CATS ESSENTIAL
Audrey is a curious and active girl with a hard case of fear of missing out but is still growing her confidence and scares easily. Her purrfect family would be very experienced with cats that have confidence issues and has the time and patience to work with her to bring her out of her shell. When she feels safe, Audrey sticks like glue to her foster mum and her favourite spot is as close to your face as possible. Audrey loves her human company when she feels safe in her environment and always wants to be where her foster mum is and isn't afraid to catch attention with a gentle tap of the paw. Audrey's new home must be QUIET with not many comings and goings. Audrey is terrified of children so only homes with CHILDREN OLDER THAN 13YO will be considered for this girl. Audrey responds better to females than she does males so a fur-mum would be ideal for her. Audrey interacts very well with other cats and gets lonely if she's left on her own so another cat in the household might suit her well....
