

Hi, my name is Derek The Delightful

A real character

Male Domestic Short Hair Cat

Hi, I'm Derek. My 4 favourite things are 1. Food 2. My toy mouse 3. The laser light 4. Food But not necessarily in that order! I love humans & to be loved back. I like cats too & i am sure that if you already have 1 in your home, we could be great friends. I'm funny, energetic, demanding & quirky...and that's just today!! Food is the best thing ever & I never think I have enough; so if my bowl is a couple of biscuits short of the rim, I'm not afraid to let you know. I still like to play & chase the red light that disappears whenever I get close enough to catch it! I will catch it one day. I'm ready to find my forever humans & to go live in their big house. If you think I am the cat for you then please throw my some string & I will hopefully follow you home.
