

Hi, my name is Scooby

Goofy guy!

Large Male Rhodesian Ridgeback Mix Dog

SCOOBY IS LOOKING FOR A FOREVER RURAL VIC HOME!! ☐ ☐ Our Scooby boy is in search of his final stop, a rural VIC home. He is a 5 year old Ridgeback X, once he's settled and feels comfortable with you, he loves to show you how goofy he can be! He loves letting out his happy 'awwooo's, it's the sweetest thing 😊 Scooby has shown us that he is not comfortable living in busy areas (suburbia/city) and would really benefit from living his life out on rural property with no other animals (unless in a fenced paddock). He enjoys being around children so a home with kids 12+ years old would be suitable. Scooby is such a zoomer so he would love plenty of room to stretch his long legs. Scooby has undergone some training before he made the move to VIC and he will need further ongoing training in terms of settling into his new forever home environment which we will support with. We can discuss this further on enquiry however he will not be able to be socialised with any other dogs or domesticated pets. Scooby will need a home with the following requirements: ☐
