

Hi, my name is Margot

Looking for love

Female Domestic Short Hair Cat

This is Margot and she's had a rough start in life. It is believed she was dumped in the bush and she was rescued from a mine site. Margot is approximately one year old, but is quite a small cat for her age. She has a gorgeous, soft, tabby & white coat with beautiful green eyes. This little girl is sooo affectionate with her humans but hasn't settled well with the other cats in the house. She would do better in a house with no other cats (no experience with dogs yet) and would be an awesome companion for someone. She really deserves another chance at being someone's beloved pet ☺
