

# Hi, my name is Snowy

## Looking for love

## Large Male Rhodesian Ridgeback Mix Dog

Hi my name is Snowy as my skin is as white as snow. I am a very smoochy dog that likes to hang around my humans all the time. I love lounging on the couch watching TV or just to chill out. I get on well with other dogs at home and love meeting new dogs at the dog park and going for walks around the neighbourhood. I will let you know if someone comes as I have very sensitive ears and a very impressive bark! I will sit for treats or at dinner time, but will need some help to get my training to 100%, I am a good boy who just wants to please his humans. I do love love LOVE my food and if it's left out I will steal it as I can't help myself my taste buds are roaring to go at the smell of food. I do need my food slightly moist prior to eating as I get bound up. When you leave I am best left in the house as I feel more secure inside. You can use a Kong with food in it to keep me busy when you initially leave and then I am fine.
