

Hi, my name is Sigyn

Looking for love

Female Domestic Medium Hair Mix Cat

Hi there, I'm Sigyn. I'm a timid but affectionate kitty who is looking for a loving place to call home. I'm nervous to start, but once I get to know you I'll open up to be a super affectionate kitty. I enjoy having a bit of raw chicken, or even some wet food! So you'll know just how to get on my good side. Once I'm settled in, don't be surprised if I come up to you asking for pats, chin rubs, scratches, and little showings of affection... if I'm feeling brave I'll even lie down on your lap! I'll need a small launch room to start in when I come home and have some nice, secure hidey holes stashed around so I can feel safe and secure. If you spend time with me in there and offer me some food (maybe a little bit of wet food on a spoon? Pretty please?), we can start getting to know each other. Once I know I can trust you, I'll be a friend for life, and won't be shy to show off my purr-sonality to you some more! If you think I might be the perfect fit for your family, please fill out an adoption application today!
