

# Hi, my name is Sadie

## Looking for love

### Medium Female Shar-Pei Mix Dog

Sadie is a sweet affectionate girl. She is keen to walk and pulls a little on lead. She ignores cars, most other dogs but is scared of reactive dogs. She walks at a good pace and likes to jog. Enjoys pats and cuddles. Walkers say "Beautiful friendly girl who loves people. Also loves treats. Very endearing, lovely to walk with." She came from the pound in a neglected state after just having a litter of pups. She has a short coat and weighs 25.5kg. Suit Part Time Worker: Copes alone for short periods, with training possibly longer but presently does need someone home part of the time Garden: Needs a home that has more space as well as a garden for exercise and regular walks outside.

She comes desexed, C5 vaccinated, heartworm free and microchipped. Also included for the love and health of our dogs is a free Health and Wellness Voucher with our DR Vet.
