

Hi, my name is Monty

Looking for love

Male Domestic Medium Hair Cat

Hello, my name is Monty but my foster mum sometimes calls me Little Lion Man, because i am so super fluffy. I am a stray cat that is learning how to live indoors. I have a resting cat face and look pretty scruffy but dont let that fool you, once i have gotten some cheek/head scratches i will melt like butter on popcorn. I have recently figured out that the best place to sleep is near or ontop of a human, couch, bed, lap, i like to be with someone. I am very very small and prefer wet food to dry, i would appreciate some help with grooming as i get knots under my chin sometimes. I would prefer a home with someone who is home more than not, with a family of kids who are 15+ and can respect my preference of quiet time. I just need a family to call mine and a lap to sleep in, i dont think i ask for much Love Monty

Monty is FIV+ please research this before enquiring and feel free to ask any questions about it!
