

Hi, my name is Beau

Looking for love

Large Male Siberian Husky Mix Dog

Attention all husky lovers! Meet Beau! I am a very loving, sweet, cuddly, friendly boy looking for an experienced & active dog owner who understands a husky's needs & is willing to spend time with me, training me, walking me & involving me in their daily lives... I am very affectionate and want to be included in family life. . I love people and just wants to be near you, so really need to be an indoor dog to bond with his family. Kids okay, happy to meet. I would suit anyone who is dog savvy, and understands my needs as a Husky...& understands that I dont want to be left alone all day as I would just howl-afterall i am a pack animal that needs company..... It is also important to understand my breed & nature, which means that unfortunately I would not be suitable to live with any small animals, cats or other & would need a very secure 6 ft fenced large yard to keep me safe & secure... I will also need regular grooming due to my big beautiful coat needing regular grooming....& someone who is happy to keep me cool in summer with a do...
