

Hi, my name is Jalapeño And Popper

Cat savvy Adopter wanted

Male Domestic Short Hair Cat

Jalepeno and Popper would love to meet you Jalapeño the lilac Siamese is very vocal and affectionate, Popper is still trying to work out that people are ok , he does also have a cute little kinked tail and follows his brother everywhere. They are very bonded and sleep in the same cat bed together and groom each other it's very cute. They spend alot of time on my deck which is cat meshed so if their Adopter could consider something similar I think the would be very happy They are good with my children and my dogs but I think theyd love to be the only felines to rule the house and sleep on your bed
