

Hi, my name is Ralph 33832

Campbelltown Acf

Surrendered by my owner

Medium Male Kelpie x Border Collie Dog

Hi, my name is Ralph. I was sadly surrendered by my owners due to no fault of my own. As a working breed I require an owner that is able to provide me with ample physically and mental stimulation. It is important my new owners are well-equipped to look after a dog like me, and have knowledge in my breed. I am very ball driven, and like to play with all different types of balls - tennis ball, football, soccer ball - you name it and I'll probably chase it! Due to my love of a game of chase I am best not homed with cats or pocket pets. I'm still learning that jumping up at my carers when I am feeling excited is not always appropriate, so my carers recommend my new owners continue my training at home to ensure I become the best boy I can be. I have gotten along with other dog's while here at the facility, so if you have another doggy at home make sure to bring them to check me out. I am happy to meet dog-savvy kids who are ready to have me as their furry sibling. Come check me out. Find my profile and submit an expression of interest form here:
