

Hi, my name is Yogi (Located In Melbourne) Playful

Female Domestic Short Hair Cat

Yogi is a playful cat who would prefer playing games over food. If you want to quickly bond with her playing games and giving her the space to trust you is the quickest way to adapting her. Yogi prefer laser toys, twine strings and scratching posts. She is quite timid at first and will need some time to get used to you, but once she is settled down she will come to you to play or to get pets! She's not picky with her food but does prefer raw food, chicken, and wet food over dry snacks. Yogi requires a quiet home with no children with minimal stress. Want to meet me in person?
