### Male Domestic Short Hair Mix Cat

2 yrs old boy fully recovered from a blocked bladder, now on a c/d diet - shaved area on his back after having an abscess removed -(obviously) dashingly handsome with gazey emerald eyes that can read your soul -likes to spend his days chilling and gazing out the window - tolerates children, young and older - calm natured, never hissed or used his claws, and has a sweet meek meow when meals are being served -gently swipes when he's had too many chin scratches -enjoys his food and is very clean with the litter box -a bit of a night owl so enjoys more freedom around the house when the lights go out -would love some outdoor play in a catrun -timid with dogs and finds a good hiding place when he hears one -sulks for a few days after having to go in the cat carrier -loves a nice corner of the couch for neck rubs
