Female Domestic Short Hair Cat

~*FOSTER VIEW TO ADOPT*~ ☐☐ INTRODUCING CAPELLA ☐☐ Star light, star bright, first star I see tonight.... Hello, my name is Capella! I was given my name after I was found heavily pregnant living under the stars, with no family of my own or place to call home. Shortly after coming into my foster mums care (24 hours to be exact), I gave birth to 4 precious little stars. Unfortunately 2 of my babies didn't make it, but the other 2 have grown up big and strong and have gone off to find their forever homes. Now that my mothering duties are over, I can finally begin my own journey to finding my forever home. Nature I am still in the beginning steps of adjusting to life with humans. When my foster mum is around, I generally greet her by giving a little hiss or a growl, and watching her very closely. My foster mum has managed to pat me briefly a few times when I have been in my carrier, but otherwise I usually give her a bit of a whack with my paw if she gets too close for comfort. My foster mum watches me on the camera when she is at work and she often catches me roll...
