Please note, incomplete applications will not be considered. Please read the profile carefully! Hi there. I'm Sunny. I'm a 10-month-old Kelpie x. I'm a happy and super busy girl and I'm looking for my forever family. I'd best suit a property to run on or a sports dog type home to keep me mentally challenged. I'd love an active family that will include me in their everyday lives. I'm a social girl and enjoy playing with other friendly dogs and must have a doggie sibling. I've lived with kids all my life and love to be part of a family. Due to my energy levels, older kids would be best. Since coming into foster care I've started my basic training. I'm food motivated & enjoy my training sessions. I'm a clever girl & learn quickly. I sit & wait for my food, shake and come when called...most of the time. I have also started my lead training. My new home must be prepared to continue my training to keep me happy and focused. I go on bush walks with my foster family...
