

# Hi, my name is Jack DL2738

## Looking for love

### Large Male Staffy Mix Dog

Jack needs out of kennels in time for the holidays. The good news is that if you fall in love, you can foster with the plan to adopt... and keep him forever! Jack is a little unsure of things at the moment, he's not sure what to make of strange noises and he's not a big fan of other dogs. After a few quick corrections, he walks beautifully on a loose lead for our volunteers & he enjoys getting pats and belly rubs from them. He's a handsome guy but doesn't really like to have his photo taken, so you'll just have to take our word for it that the pictures don't do him justice! Jack is looking for nice quiet home with an experienced handler who can help to build his confidence. Not suited to a home with other pets or young kids. We cannot wait to see Jack settled in and coming out of his shell! He's a beautiful boy who deserves the best. Email [DFLrescue@gmail.com](mailto:DFLrescue@gmail.com) today to apply.
