

Hi, my name is Tiger

Looking for love

Medium Male Staffy Mix Dog

Tiger came to us after he was left in a back yard. He is said to be about 6yrs but he doesn't behave it. He is a real family dog, loves people, loves dogs and loves his walks. He was living with kids. He isn't that good around stock. He is happy to play around with the other dogs but is happy to hang out with his people. Because he was abandoned, he must go to a home with someone home most of the time and he must be part of the family. He lives being inside and is crate trained. All he wants is someone to care about him and give him a home he deserves.
