

Hi, my name is Skittles

Looking for love

Female Domestic Short Hair Mix Cat

SKITTLES #375C is a very affectionate lady who is used to being outside during the day and inside at night, though she seems to have adapted pretty well to a solely inside life at her current carer's house. She is a friendly girl who tolerates the company of a younger male resident cat so would probably be happy joining a family with another friendly feline. Skittles is five years old and is desexed, chipped, vaccinated, worm/flea treated and vet checked.
