

Hi, my name is Rafiki

Looking for love

Male Domestic Short Hair Mix Cat

Hello beautiful humans, My name is Rafiki and I am on the hunt for my forever home. Before you snap me up, you'll probably want to know a bit about me (other than the fact that I am gorgeous), so let me sell myself for you. I am an independent but loving mature boy whose favourite spot to sleep is in your bed underneath all your blankets. This means that before you jump into bed at night please check for a lump (because it's probably me!). My favourite things to do are sit on the windowsill and watch the world go by, and join you on the yoga mat to give gentle snuggles of encouragement. I don't particularly like being picked up or lying on you, but I do love a good head and belly scratch when I feel so inclined (I'll let you know). In the past, I've struggled with sassiness, and may still give you a gentle bite to let you know I don't want to be touched anymore, but so long as I am in a calm environment I am cool as a cucumber. Although I am older I do love a good play every now and then, so you'll need to be able to schedule that into your routine. Lookin...
