He loves being the centre of attention and can be a bit of a drama king when it comes to food which adds to his charm. Ghost is obedient and knows how to sit, shake hands, and ask to go to the bathroom if inside. He loves running around the backyard, playing tug-of-war or simply relaxing with his humans. He prefers to splish splash in his water bowl rather than drink it and loves to laze in his own little pool. Ghost is a big softie with so much love to give. He would suit a home with children or with another furry friend.
