### Female Domestic Medium Hair Cat

☐☐ INTRODUCING KRYSTAL ☐☐ Hello there my soon to be fam! My name is Krystal and I'm a very special lady needing a very special home. As you can see I am very beautiful, but my sparkling blue eyes and luscious white coat have fated me with a lack of hearing. My deafness doesn't bother me, and I feel just fine, but it does mean I must be a strictly indoor cat. Nature My Foster Mum says that I am a super sweet and adorable kitty. I also have a little sass, which can come out when I'm tired or have been overstimulated. I have to say that I've crammed a lot into my young life so far. I came into care with a broken pelvis, so I got to stay in bed for six months while I healed. Thankfully with my Foster Mum's care, I'm all healed up now and ready to live my best life. I do find humans quite amusing and like to follow you around so I can watch what you are doing. I also love to play with my foster siblings or chase the laser toy around. One of my super powers is that loud noises don't scare me, so please, vacuum, slam and stomp away, I won't mind! Like most cats, I love to...
