

# Hi, my name is Astrid

## Sweetest natured girl

### Large Female Bull Arab Dog

Astrid is a five year old Bull Arab with the sweetest nature. She loves a pat and a cuddle. Her foster carer says she's very good at fetch and loves chasing the ball, but the return is sometimes a work in progress if she's distracted. She has great leash manners and her recall is pretty good off lead. Astrid loves the water whether she's wearing a jacket or not, and is socially awesome with other dogs and loves hanging at the dog park. Like all relationships, she took a couple of days to settle in with her canine foster brother, as we had transported her from another pound and there was a bit of a power struggle and she was feeling a little food precious as she was significantly underweight. Now a healthy 36kg, so her foster brother and her never ever fight, and food is zero issue if you want to take her bowl off her or if he investigates it. Astrid never barks and is respectful of your space. She knows basic commands to sit and wait for dinner etc. All in all, she's a total dream who will love being in your life! So if you are looking for a beautiful canine compani...
