

Hi, my name is Goldie, Tay Tay And Frankie

Indoor home only

Female Short-hair Smooth Hair x Crested Mix Guinea Pig

Please meet Goldy, TayTay and Frankie (left to right) These three beautiful girls were surrendered to the Refuge a few months ago and after some setbacks, they are now ready for their new home! TayTay had some hair loss on her back and Goldy had a very bad hay poke in her eye. They're now all healed, healthy and keen for their forever family who will have plenty of love and cuddles to give. These three girls absolutely love their food and are always the first to wheel and run to their bowls at dinnertime. They also love to climb around their cage, and love their raised beds and wooden logs to jump onto and have a nap. Goldie, TayTay and Frankie must be adopted together as they are a bonded trio.
