

Hi, my name is 6255/56 Cooper & Ninja

Looking for love

Male Domestic Short Hair Cat

~*ATTENDING PETSTOCK CANNINGTON ADOPTION EVENT ON SATURDAY*~ ☐ ✕ MEET COOPER & NINJA ✕ ☐ Hi, my name is Cooper and this is my brother, Ninja! We came into care a little while ago after the beautiful souls at PRA came to rescue us. Nature Like most kittens our age, we like to explore and play as much as possible. I (Cooper) am a real snuggly kitty, I love sleeping with you all night, I am the perfect bed companion. I have a very loud purr and will rub up against you as much as I can for cuddles. Ninja also loves his cuddles, and will also love to sleep on your bed, given the opportunity. Companions (Children, Cats & Dogs) We get on really well with other cats and kittens and we would love to have another furry pal or two in our new home, or maybe you could even adopt us together? Hint, hint! We haven't met dogs, but given our friendly nature, I think we would be fine, as long as we get a nice slow introduction of course! The same goes for kids, we haven't met them but I think we would be OK with them, as long as they're gentle with us and give us space if we need ...
