One of which came up with my creative name being a Harry Potter fan. Yes I'm a big white hairy fluff ball. I have bright blue eyes with orange markings on my face, ears and tail. I also enjoy having gentle cuddles and my tummy rubbed from my younger 6 year old human sis. I enjoy play time chasing balls, laser pointer and exploring. I play well with my other feline sister, I do enjoy a good rumble and tumble with her. But when it comes to night time I'm just as happy to snuggle on your bed with your doona. I'm chillaxed with being a gentle boy, I'm placid and will put a smile on your face every time you see me.
