## Looking for love

### Small Male Maltese Dog

'Hi I'm Lewis, I've had a bit of a sad time this year after losing my dad, but I'm feeling much better now and I'm ready to find my new human slaves, oops... I meant to say my new family or special person. I'm a typical senior and a bit set in my ways and don't like to be disturbed when I've got my mind set on something or if I'm having a really good nap, I will growl at you to express my annoyance, but I'm all bluff... I'll want a cuddle a few minutes later. I like a little walk each day, and I have a toy but I'm not really fussed about playing. I do like sleeping in the humans bed and I'm not fussy, I'll curl up with anyone.. just don't tell anyone I'm a snuggler, I need to keep up my grumpy old man persona so I don't lose my street cred! I also love following my humans around the house and just being near you... and I really love car rides! I'm good company. I haven't spent much time around small kids, but I think they'd make me grumpy. I'm ok with another calm dog, but not an overly active, in your face type. Do you think you could be my slave? Oops I've done it...
