

Hi, my name is Alex And Nikki ☐☐

Bonded Mother and Son

Male Domestic Short Hair Cat

AVAILABLE FOR ADOPTION AFTER OCTOBER 26th. Nikki and Alex are an adorable bonded pair, now ready to look for a relaxed home and family to call their own. Nikki is a ginger domestic shorthair girl with white patches, and her son Alex is a classic ginger tabby boy. This sweet and affectionate mother and son duo were rescued together, and as they share an inseparable bond, they are looking to find a home where they can stay together. Nikki is a sweet and relaxed girl who adores chin rubs and cheek scratches. Having been a young mum and done an amazing job raising Alex, she is now finally finding time to let her playful side to blossom. Nikki's favourite toys at the moment are feather toys and she loves to chase them around in the room. Nikki is very close to Alex and can be often found snuggling up with him, preferably somewhere soft and warm. Alex is a very affectionate young man who loves attention, both from his humans and his mum. He is also a very clever boy who is showing signs of easily learning new behaviours, including asking for food when his tummy starts rumbling. He c...
