

Hi, my name is Dora

The Explorer

Female Domestic Short Hair Cat

♥ Dora!!! ♥ Dora loves to be adventurous as her name would suggest. She is a confident little girl and loves to play almost as much as she loves to cuddle. She has been in foster and socialised with dogs, other cats and children. Dora is not a fan of bossy cats and dogs.

She would prefer a friendly and gentle dog or male kitty friend in her new home. Dora is great at entertaining herself and seems to happily purr her way through the day. She came into care with her brother Chase after a rough start in life. Dora is looking for a loving home where she can follow her people around and be a part of the action. This cuddly girl just needs to find her forever lap. Can you help Dora find her Happily Ever After?!
