

Hi, my name is Chase

The Playful

Male Domestic Short Hair Cat

♥ Chase!!! ♥ A gorgeous guy, Chase loves to rub his face against bare human feet. His first love is food and his second is snoozing on the couch with his people. Chase is always happy and purring. He isn't in the least bit shy and will even give your hair a tug to let you know he needs some more attention. Chase loves spending time with his dog siblings and is good with respectful children so would be an ideal family addition. Chase came into care with his sister, Dora, after a neglectful start to life. He is not afraid to wear a harness and is more than ready to find his forever home. Can you help Chase find his Happily Ever After?!
