

# Hi, my name is Panda / Cookie

## Looking for love

### Female Domestic Short Hair Cat

COOKIE is a confident and curious kitty as she loves seeing what her humans are always up to. She is very active, playful and gives plenty of affection. She loves any moving or mouse toys and is an absolute laser maniac. She enjoys having visitors as she never shies away from getting her daily dose of rubs and cuddles. Cookie sleeps through the night like a log and causes no sleep disruption at all. She is always comfortable and adapts to new environments well by laying down at every spot she finds. She definitely appreciates a spot where she can watch birdies and cars from the window as she gets her tan on. Cookie arrived from death row in a rural pound and her history is unknown.
