

Hi, my name is Tux

Looking for love

Male Domestic Short Hair Cat

TUX is a super friendly, chilled dude who loves humans. My favourite thing in the world is face scratches - I like to rub my cute face on yours to tell you that I love you! Every time I see my humans I do a cute little meow and come over for some scratches and face rubs! I could sit around all day in the sunshine and listen to the world go by. I also love my hidey holes and scratching poles so make sure you have lots of fun cat towers for me! I'm not crazy about other animals and would definitely prefer to be an only pet. I might be okay with other cats in the house, but only if they are relaxed like me (I don't like boisterous animals), very friendly and used to other animals, and only if I get a very slow introduction! I'm not tested with kids but as long as they are respectful and used to pets, I think I would be fine. Best if they are over 5 years old though please - as I said, boisterous energy scares me a bit! I am such a friendly, relaxed boy and humans are just my favourite thing. Come and meet me today! CLARIFICATION - Donations can be made to Furry Friends via our we...
