

# Hi, my name is Toby

## Looking for love

### Male Ragdoll Mix Cat

Toby is looking for a home without any other animals and no children please. Toby will not thrive in a busy environment and will need a gentle and empathetic guardian. Hi there! My name is Toby and I am 5 years old and quite the character. When I first went to my foster home I was very stressed about the sudden change. When my new family take me home I will need time to feel safe and secure. Someone who is happy to slowly build trust using food and soft words instead of pats would be perfect. As an older cat, I'm very set in my ways and it takes longer than usual for me to open up to you. Once I do, I will purr and demand a good brush and plenty of chin scratches. I only like being touched in certain places and much prefer someone asking for my permission first (don't we all), so someone happy to be respectful of me is a must. If you truly gain my trust I will sit on your lap and fall asleep but only if you are super duper nice to me. I don't like other cats or dogs too much as I find them stressful to deal with, I'd much prefer to have a home for myself surroun...
