

Hi, my name is Roxy

Shy but Loving

Female Domestic Short Hair Cat

☐ SURFS UP, AND SO IS ROXY! (up for adoption that is, cats don't surf...) ☐ Meet the ever-so-pretty Roxy who is looking for a new family. Roxy joined us recently and has had all of her vet care finalised, meaning that she can now start meeting potential families to see how they might fit her personality and individual needs. This sweet girl is a real people pleaser and just wants to give her humans a lot of love and affection. She is confident in taking care of herself and spending time alone but does also enjoy the company of people. Roxy likes to lounge about at home and soak up the good, stress free life she has and would make a perfect addition to a relaxing home. Roxy would cope well adjusting to a home with kids who would allow her the time and space needed for her to get used to her new surroundings. Roxy prefers to be the only cat in her kingdom so homes with no other cats will only be considered. We are unsure of her experience with dogs but believe that she should live peacefully alongside them with the right introductions. Name: Roxy MC00611 Age: 1.5 years
